## Autumn Term News Letter

We would like to thank you for your support this term. Students have made significant progress throughout the term. Students have completed work in: English and Maths, both GCSE's and Functional Skills and BTEC's. Yr11 students have worked really hard this term in preparation for Functional Skill exams in February 2023.

For the third year running, we have held our Christmas help out. The students have been wonderful, delivering flyers, helping to pack the bags and helping the event to run smoothly.

Please make every effort to ensure that your child attends school regularly, as every missed day has an impact on their overall attainment.

We hope that you have a lovely Christmas break and we look forward to working with your young people in the new year.
