Summer Newsletter 2022

Dear Parents/Carers,

Thank you for your ongoing support this term. As we approach the summer holidays, we are reflecting upon our half term. Students have taken part in a number of projects these include: pottery making, gardening week, drama week and mask week. We are immensely proud of the students for their hard-work and determination.

Students no longer must complete lateral flow tests. However, we would like to remind parents and carers of our sickness procedure. If your child has sickness or diarrhoea, they must stay at home for 48 hours after the last episode.

We have been focusing on developing a solid foundation in English and Maths to aid the students' studies. We have utilised the smaller group to help the group develop their confidence and build relationships with staff and their peers.
