Autumn 2017

Dear Parents,

Students at Oscott Academy have made excellent progress this term. They have studied GCSE English Language and Maths, alongside Functional Skill English, Maths, Science, ICT and PSHE. Students have also studied; art, careers and sports.

This term we welcome Nuala Connor and Leary Johnson to the staff team. Nuala is a very experienced teacher who is offering students careers guidance and is also teaching careers preparation to the students. Leary is a highly experienced sports coach who is providing students with quality sports lessons. In addition, Leary is supporting some of our students to complete their sports coaching certificates.

(Left) Our class of 2017 who graduated with excellent results, preparing them for life post-16.

Huge congratulations to Tom Ryan who sat GCSE Maths a year early and achieved grade 4!!

Our Spring term starts on Tuesday 9th January 2018. Monday 8th January will be a teacher training day.

During the Spring term students will be preparing for their March Functional Skill English and Maths exams. Can I please stress that regular school attendance is vital and in order for us maximise your child's chances of success in the summer.

Thank you for your ongoing support and the staff team wish you all a Merry Christmas and a Happy New Year.

Stewart Dance
Proprietor/Head Teacher
